

Headlights
Young Guns

Hey there! Doshii again! So I only recently heard the song Headlights by Young Guns, an excellent song, but I couldn't find any chords! DUN DUN DUUNNN!!! So I got off my lazy butt and transcribed some. Please tell me if there are any mistakes, whether they're in the lyrics or in the chords itself! Thanks! :3 x

Tuning: Standard - EADGBE

Intro: **F#m D A Bm**
F#m D A Bm

F#m
Yeah I need meaning
E **Bm**
As much as I need air to fill these old lungs of mine
F#m **E** **Bm**
I didn't notice but I've been holding my breath as long as I've been alive

D **A** **F#m** **B**
The spots behind my eyes they glitter in the dark
D **B** **Bm**
As they get closer they illuminate their mark (woah)

F#m **D**
Everybody stares
A **Bm**
Into the headlights bearing down
F#m
But we don't care
D
Standing in the glare
A **Bm** **F#m**
We didn't see them coming, headlights closing in

A **Bm** **F#m**
Everybody stares

A **Bm**

F#m
Through my fingers everything was monotone and weak
E **Bm**

Now all the colour brings me to my knees

F#m **E**

I was so afraid of repeating myself

Bm

That I never said anything at all

D **A** **F#m** **B**

The spots behind my eyes they glitter in the dark

D **B** **Bm**

As they get closer they illuminate their mark (woah)

F#m **D**

Everybody stares

A **Bm**

Into the headlights bearing down

F#m

But we don't care

D

Standing in the glare

A **Bm**

We didn't see them coming, headlights closing in

F#m **D**

(I found you)

A

You give me meaning

Bm

In everything you do,

F#m **D**

(I found you)

A

Now I've discovered

Bm **A**

What I have got to do,

A

I'm broken and I'm bruised

A

I'm beaten black and blue,

A

Split at the seams but so are you

F#m **D**

Wo-----ah

A

If you take me as I am

A

Better and bland

F#m

I'd face the headlights

D

Side by side with you

A
