

**B** **Abm** **E**  
What are they gonna call me when I get old?  
**F#** **B**  
There ain't but one name that I've been called  
**Abm** **E**  
But on and on now the story grows  
**F#**  
I guess it's sposed to  
**E** **F#**  
So when you need me, I'll come show you  
**B** **Bb7** **A** **Ab**  
That I'm just like a nursery rhyme holding you  
**E** **F#** **B** **Bb7** **A** **Ab**  
Forever young, forever young I feel a part of it all  
**E** **F#**  
Forever young, forever young  
**B** **Abm** **E** **F#**  
For all space and time  
**B** **Abm** **E**

**B** **Bb7** **A** **Ab**  
That I'm just like a nursery rhyme holding you  
**E** **F#** **B** **Bb7** **A** **Ab**  
Forever young, forever young I feel a part of it all  
**E** **F#**  
Forever young, forever young  
**B** **Abm** **E** **F#**  
For all space and time  
**E** **F#** **B** **Bb7** **A** **Ab**  
Forever young, forever young I feel a part of it all  
**B** **Bb7** **A** **Ab**  
I feel a part of it all,  
**B** **Bb7** **A** **Ab**  
I feel a part of it all
