Young Hines

B **Abm** **E**
What are they gonna call me when I get old?
F# **B**
There ainâ€™t but one name that Iâ€™ve been called
Abm **E**
But on and on now the story grows
F#
I guess itâ€™s sposed to
E **F#**
So when you need me, Iâ€™ll come show you
B **Bb7** **A** **Ab**
That Iâ€™m just like a nursery rhyme holding you
E **F#** **B** **Bb7** **A** **Ab**
Forever young, forever young I feel a part of it all
E **F#**
Forever young, forever young
B **Abm** **E** **F#**
For all space and time

B **Abm** **E**

That Iâ€™m just like a nursery rhyme holding you
