

Down The Line
Young Rebel Set

Brilliant song by Stockton based band Young Rebel Set, who don't always get the credit they deserve.

C **Am**
I never said I'd marry you, I never said I wanted to at all
C **Am**
An all those things I promised you, I'd never said I'd follow through at all
F **G** **F** **G**
An all the time I was thinking, of ways to change your mind,
F **G** **C**
I'm sorry if I led you down the line,

C **Am**
I never said I wanted you, I never said I needed you at all,
C **Am**
An all those things I said I'd do, I never said I'd see them through at all,
F **G** **F** **G**
So that's why I'll be leaving, before I change my mind,
F **G** **C**
I'm sorry if I led you down the line,

F **C**
An I know sometimes that it's hard to take,
F **C**
An I know that you still care,
F **C - Em** " **Am**
That's why I say why can't we just be friends?
F **G** **C**
Instead of lovers till the end.

C **Am**
So I'm gonna go to Stockton town, find me a girl to fuck around again,
C **Am**
An I'm gonna do just what I like, an I'm gonna do it, every night again,
F **G** **F** **G**
So that's why I'll be leaving, before I change my mind,
F **G** **C**
I'm sorry if I led you down the line,

F **C**
An I know sometimes that it's hard to take,
F **C**
An I know that you still care,
F **C - Em** " **Am**
That's why I say why can't we just be friends?
F **G** **C**

Instead of lovers till the end.

Am **Em** **F** **C**
I sat up drinking for three lonely nights I asked myself, when will this end?

Am **Em** **F**
G
I washed these thoughts down with a bottle of wine, I said my dear, youre just my friend

C **Am**
Cause I never said Id marry you, I never said I wanted to at all
C **Am**
An all the things I promised you, I never said Id follow through at all

F **G** **F** **G**
So thats why Ill be leaving, before I change my mind,
F **G** **C**
Im sorry if I led you down the line,

F **C**
An I know sometimes that its hard to take,
F **C**
An I know that you still care,
F **C - Em** " **Am**
Thats why I say why cant we just be friends?

F **G** **Am**
Instead of lovers till the end.

F **G** **C**
Instead of lovers till the end.
