Call Me Back
Young the Giant
[Intro]
G Em D C x2
[Verse 1]
When I was just a boy
             D
By the phone, by the phone
My head was stuck in the clouds
Feet would not touch the ground
You didn t have to leave that way
                    D
Didn t have to leave that way
Cuz I was just, just a boy
By the phone, by the phone
[Pre-Chorus]
                      Em
I m still holding on to all your promises
                          Em
Why d you tell me you were on your way back
I ve been waiting so long
Days have come and they ve gone
Don t leave me hanging
[Chorus]
Call me back, call me back, call me back
Baby call me back, call me back, call me back, call me back
I ve been waiting by the phone, love, I ve been waiting by the phone love
                                   Em
                                                 D
