

Daydreamer

Young the Giant

[Intro] D7M G Bm

D G  
It s a full moon at midnight

Bm  
Running fast out of time

D G  
It s a feeling you can t describe  
Bm

Floating past the pale skyligh

D  
And you look reflective, but you re so disconnected

G  
Just think about it

Bm  
What s really on your mind

G Em  
For you i would steal time  
Suspicion, suspicion

D  
You re a daydreamer oh oh  
G  
And it s the same thing over and over

D  
We re running for our lives  
In a slip stream wo-oh

G  
You wake up someday  
And you realize  
You were dreaming all the life

D  
You forget

G Bm  
You forget

D  
It s so affected  
That color corrected night

G Bm  
But you re falling fast

D  
Through plastic skies  
And you look reflective

G

So disconnected

**A**

It s not real life

**G**

Open your eyes and breathe

We just might die

We re running for our lives
