Young the Giant

<http://www.youtube.com/watch?v=Mm7Le9nSNX4>

That s my cover of this amazing song by Young the Giant and these are the exact chords I used. I tried to keep that same open the session feeling it had.

I know that in my cover, the strumming rhythm I use for the last half of the song is different than the rhythm in the original version but that s because in one part, I could play that rhythm and sing at the same time and it s also easier that way xD. Well I hope this helps anyone! :)
