

Repeat

Young the Giant

[Verso 1]

F

Somewhere in the forest, Where the waters meet

G

Lie the days before us, Spinning on repeat

F

There s darkness through the doorways, Silence in the streets

G

There s something in the stillness, A distant memory

[Refrão]

F

Show me love, fill my cup

G

The world s not empty

C

It s how you want it to be

F

Push and pull, the glass is full

G

Float on an ocean

C

We re caught up in the motion

F

So we move

F C

(We just move, we re just moving)

G

(We just move, we re just moving)

[Verso 2]

F

Somewhere in the mountains, And buried in the snow

G

Life grows underneath us, A thousand leaves below

F

Sunlight through the windows, Spilling on the streets

C

G

No stillness in our orbit

NC

We keep spinning, We keep spinning, On repeat

[Refrão]

F **C**

Show me love, fill my cup

G

The world s not empty

C

It s how you want it to be

F

C

Push and pull, the glass is full

G

Float on an ocean

C

We re caught up in the motion

F

So we move

F

(We just move, we re just moving)

C G

(We just move, we re just moving)
