

Superposition
Young the Giant

[Intro]

C G Dsus4 D x2

[Verse 1]

Am

I don t believe in fate

G Dsus4 D

No psychic vision

Am G Dsus4 D

But when things fall into place - superposition

Am G D

In any universe you are my dark star

[Chorus]

C G
I want you to want me

Dsus4 D
Why don t we rely on chemistry

C G
Why don t we collide the spaces that divide us

Dsus4 D
I want you to want me

C G Dsus4 D

[Verse 2]

Am G Dsus4 D
Superstition aims with imprecision

Am G Dsus4 D
But when things can t be explained - superposition

Am G D
In any universe you are my dark star

[Chorus]

C G
I want you to want me

Dsus4 D
Why don t we rely on chemistry

C G
Why don t we collide the spaces that divide us

Dsus4 **D C G**

I want you to want me

Dsus4 **D**

I want you to want me

[Bridge]

G **Em**

No matter what we do

Em7 **Am7**

I ll be there with you!

Am7

[Chorus]

C **G**

I want you to want me

Dsus4 **D**

Why don t we rely on chemistry

C

G

Why don t we collide the spaces that divide us

Dsus4 **D**

I want you to want me

C G Dsus4 D x2
