

**Titus Was Born**  
**Young the Giant**

**G**

Titus was born

**C**

Under the eye of a storm

**G**

Rain water carried his bed

**C**

Around the world and back again

**C**

Oh all the things he did see

**Bm**

Life is a dream

**Am**

Drifting at sea

**G**

So hard to believe

( **C G C** )

[Primeira Parte]

**G**

And so Titus would grow

**C**

Tall and strong as an oak

**G**

Rain water stuck in his head

**C**

That filled him with words unsaid

**C**

Of all the things he might be

**Bm**

Drifted at sea

**Am**

At night he would dream

**C**

Of odd storms at bay

**Bm**

To wash the pain away

**Am**

Rain s falling

**C**

Falling on you

( **G Am Em C** )

( **G Am Em C** )

[Ponte]

**G**                  **Am**  
And the storm, it was driving

**Em**          **C**  
Washing away

**G**                          **Am**                  **Em**          **C**  
All the trees on the island (rain water, rain water)

**G**                          **Am**                  **Em**                  **C**  
In the eye there was a silence but he washed it away

**G**                  **Am**  
Crashing rocks by the sirens

**D**  
It s falling on you
