

**Open Your Eyes**  
**Your Favorite Enemies**

**Em**

Between suicide and all your dirty lies

**Em**

Are you looking sad for girls

**C**

Are you looking bad for sympathy

**Em**

It s getting hard to say open your eyes

**Em**

Needles haven t fixed anything

**C**

It s getting hard to say open your eyes

**Em**

I guess we re millions of faces

**C**

**Am**

Waiting somewhere for somebody else s place

**H**

To feel like home
