Have ever you felt left out of the group, excluded?
Given the boot, when you knew you should have been a shoo-in? Like
some ancient Druid, was pursuant to ruin your life
With a curse but worse, He brought his whole damn crew in
And now it s high noon And you re a target to shoot at
This school s a battlefield, No wonder you re truant!
They alway look at you and They boo at what youre doing
And you go off like a bomb at the Olympics in Munich.
ah, you re just an extraterrestrial,
Less than respectable, You ll never get to get the girl
You re just a jester at the festival, I guess it d be acceptable,
To peg your head with vegetables, And kick you in the testicles
And best of all let you know That you re a filthy dog
And you ll never be best in show.
So why the abuse? Cause all a bully needs is another excuse

Planet Earth I need a friend
Cause I m on the outside looking in
I m an Alien, I m just an Alien
Feeling lost but never found,
Til I found myself being pushed around.
I m an Alien, Yes, I m an Alien

I mma be honest, it gets better I promise
So don t let them ground you down To a pound of sawdustEm
Stay on stage the longest til the gong hits
And everybody comments on their fondness

Of your polish and your overall knowledge.
Remain calmest and abolish your modesty
Cause honestly you gotta be positive You re a prodigy!
You show the world That you re not one to mess with
It s a, broken home That makes these bastards aggressive
You can expect to get rejected Neglected, stripped, naked and
Tested until they reckon You feel terrible because nothing is comparable
Violence ain t the answer But the pain is unbearable
You re nice and jaded from being isolated
Now you coast through life feeling twice as hated
So why the abuse?
Cause all a bully needs is another excuse

Well, Planet Earth I need a friend
Cause Im on the outside looking in
I m an Alien
I m just an Alien
Ohhh
Feeling lost but never found
Til I found myself being pushed around
I m an Alien
Yes, I m an Alien
Ohhh!
I m an Alien
Yes, Im an Alien
Ohhh
