[Verse 2](same chord pattern verse 1)

Babe, we re so complicated

Took a good thing and turn it around

I scream so loudly
And you pretend not to hear the sound
I get so frustrated
I feel like you crossed the line
Sometimes you love me
And sometimes you act like you don't have the time

I'm ready to give up then you remind me why I even started loving you
It's the hardest thing I ever had to do
And I get so frustrated
How everything ends in a fight
And then you tell me you love me
Then change your mind by the end of the night

[Chorus]
