

## A Kingdoms Tale Your Hero

I know this is not really how they play it but it sounds good to me :D

Intro :

1rst Guitar

```
E -3-----3-----|
E --2-3-0-3--0---2-3-0-3--0--0-----|
G -----2-----2--0--2-0-----|
D -----2-----| X2
A -----|
E -----|
```

2nd Guitar (second time)

```
E -7----3---0-----|
B -----|
G -----|
D -----|
A -----|
E -----|
```

If you want you can play the piano part during the chorus:

```
E -----2-----|
B ----3-0-----3-0-----1-0-----3----|
G --0-----0-----|
D -2-----2-----0-----4-----|
A -----3-----5-----|
E -----|
```

Cadd3                      **Em7**  
I ruled the world From my dark hill  
                                 **Cadd9**  
Where everybody loved their king  
                                 **Em**  
There wasn t pain  
                                 **D**  
The blood never touched the ground  
                                 **Cadd9**  
From that day... But I was sure  
                                 **Em7**  
That one day  
                                 Cadd3  
Something would have changed  
                                 **Em7**

The human kind

**D**

Has never been strong enough

Chorus :

**Cadd9**

**Em**

And it seems like The sky has fallen

**G**

**D**

Every certainty is lost...

Now I m watching my kingdom

**Cadd9**

Burning in the fire of love

**Em7**

**G**

I can t Control it anymore

**D**

I m too scared to face that truth

**Cadd9**

now I know

**Em7**

**Cadd9**

The real king s inside my chest

**Em7**

**Cadd9**

And I m gonna quit this war...

**Em7**

**D**

not hiding Or pretending anymore

Chorus:

**Cadd9**

**Em**

And it seems like The sky has fallen

**G**

**D**

Every certainty is lost...

Now I m watching my kingdom

**Cadd9**

Burning in the fire of love

**Em7**

**G**

I can t Control it anymore

**D**

I m too scared to face that truth

**Cadd9**

**Em7**

Why should I close the gates of my heart...?

**G**

**D**

Letting it become a stone...

**Cadd9**

**Em7**

How could I see through my thick window?

**G**

**D**

All the good things of this worldâ€¦!

Chorus:

**Cadd9** **Em**  
And it seems like The sky has fallen  
**G** **D**  
Every certainty is lost...

Now I m watching my kingdom

**Cadd9**  
Burning in the fire of love  
**Em7** **G**  
I can t Control it anymore

**D**  
I m too scared to face that truth
