**Your Smith**

[Intro]

**Am G Dm C**

[Verse 1]

**C** **F**  
We drove until we beat the sun

**Am** **G**  
From home to L.A

**C** **F**  
I think we loved each other most

**Dm** **G**  
When we were runnin away

**C** **F**  
We sat down at a bar to think

**Am** **G**  
You said it could be worse

**C** **F**  
You tore the labels from your drink

**Dm** **G**  
We might as well get home first

[Chorus]

**F** **C**  
I got a bad habit

**G**  
Of smoking too much

**Am G**  
Of drinking onstage

**F** **C**  
I got a bad habit

**G**  
Of living rich

**Am G**  
On minimum wage

**F** **C**  
I got a bad habit

**G**  
But loving you

**C** **F**  
Is the worst one

[Verse 2]

You said don't you ever, ever, ever change

**Am** **G**

As long as you live

**C** **F**

You were always good at sayin' things like that

**Dm** **G**

Without much to give

**C** **F**

I could see my door to leave

**Am** **G**

But then you asked me to dance

**C** **F**

So I swayed along to Carole King

**Dm** **G**

With my hands in your hands

[Chorus]

**F C**

I got a bad habit

**G**

Of smoking too much

**Am G**

Of drinking onstage

**G**

Of living rich

On minimum wage

**F**

Of needing to go

**C**

But choosing to stay

**G**

Of putting it off

**Am G**

Til another day

**F C**

I got a bad habit

**G**

But loving you

**C**

Is the worst one
