Youth Lagoon

Youth Lagoon

The Year of Hibernation

17

Tabbed by David McDougal

[Verse]

C **F** **C**
Rowing the campground up by the lake where we swam.
F **C**
We were hunting for snakes,
F **C**
But we couldn't find them.
C
Surrounded by nothing,
F **C**
But the nothing's surrounded by us.
F **C**
But it's just me in my room,
F **C**
With my eyes shut.

[Chorus]

Am **C**
Oh when I was seventeen,
F **C**
My mother said to me
Am **C** **F** **C**
Don't stop imagining The day that you do is the day that you die.
Am **C**
Now I pull a wanton carriage,
F **C**
Instead of the horses, grazing along.
Am **C**
I was having fun.
F **C**
We were all having fun.

Am **C** **F** **C** (x2)

[Verse]

C **F** **C**
My brain kicking faster than I can, but not fast enough.
F **C**

Who is there to talk to

F **C**

That won't lock me up?

C **F** **C**

At least God doesn't judge me by the thoughts that aren't mine.

F **C**

The snakes I couldn't find,

F **C**

I don't want to find.

C **Em** **F** **C** (4x)

Ohhhhh

[Chorus]

Am **C**

Oh when I was seventeen,

F **C**

My mother said to me

Am **C** **F** **C**

Don't stop imagining The day that you do is the day that you die.

Am **C**

Now I pull a wanton carriage,

F **C**

Instead of the horses, grazing along.

Am **C**

I was having fun.

F **C**

We were all having fun.

This represents the author's own work and interpretation of the song.
