[Intro]

C C

[Verse 1]

C

I met you at a party that one time

Am7

My little heart was doing backflips in this fickle chest of mine

F

Your eyes were ocean blue

G7

Right then I thought I knew I would fall deeper than anyone could

C

It s like the world collapses when you smile

Am7

If you knew the silly things I did just to catch your eye

F

This feeling was so knew, too scared to fall for you

G7

When you said,
