

Milkshake

Yuck

A **D**
back in june, i ll pull the plug out

A **D**
and push the penny in a poem

A **D**
i am sorry i admit that

A **D**
admit that what i did was wrong

D **A**
i don t wanna get you down

Dm **A**
i just need to be around

Bm
treating me so unkind

D
you are making a milkshake of my mind

in july, i pull the plug out
and watch the water wash away
i get high to dream and pin out
and i get higher everyday

i don t wanna get you down
i just need to be around
baby, you are so unkind
you are making a milkshake of my mind

(aaaaaaaaaaaaa)

you are making a milkshake of my mind
you are making a milkshake of my mind (Fade out)
