

## Deeper Conversation

Yuna

Yuna : Deeper Conversation  
Tabbed by : Hariz Abdul Hadi (twitter.com/CubaTryTest)  
Tunning : Standard (EADGBE)

If I m not mistaken, Yuna played this song in two versions.  
One in standard tunning, another with a capo on the 1st fret.  
It doesn t really matter, she still uses the same chord.

Depending on how you d prefer to sing it.  
For me, I prefer the lower tunning.
