C

Dm

Fading flow-ow-ow-ower

Dm

G

Fading flow-ow-ow-ower

You ll only play play play

If you get your way always

In the center-er-er

Of attentio-io-ion

All the lying

And the cheating

The mistreating

How you even sleep at ni-igh-igh-ight

Blows my mi-i-i-ind

I wonder when you ll see

That you don t bother me

[Chorus]

So you can t tear me down

Beat me to the ground

Try to block my sunshine,

My blue skies with your clouds

And who do you think you are

Yeah that won t get you far

You may think you re pretty

But you ll see that beauty

Is a fading flower

Fading flow-ow-ow-ower

Fading flow-ow-ow-ower

{bridge: **Am, C, Dm, G, Am**}

I spent all of my youth

Trying to be you

Thought that you were special

That you were beautiful

But the more of you I see

The more I m glad I m me

[Chorus]

Cause you can t tear me down

Beat me to the ground

Try to block my sunshine

My blue skies with your clouds

And who do you think you are

Yeah that won t get you far (that won t get you far)
You may think you re pretty
But you ll see that beauty
Is a fading flower
