

Tourist

Yuna

I saw that no one had made one yet and I m kinda obsessed with this song so.. why not?

capo on 5th fret.

chords: C , G , Am , F

C G Am
I guess I ll hang around a little while, while you here

F C
No, I don t feel like being somewhere else

C G Am
I guess I wouldn t mind to fall in love a little bit

F
Ouch, I think I fell a little more

F G F
Hanging on to nothing

C F
I wouldn t change a thing

G
Stay where you are now

C G Am
Oh no I ve said too much

F C
Got both feet in

G Am
My dear you fear too much

G F G
I m just a little bit love ridden

F G C
I m falling in to you

C G Am
I m just another tourist making stops, but it s clear

F C
No, I ll never leave without you

G Am
Tell another story of love and loss and fear

F
No, we have another night to kill

F G F
Hanging on to nothing

G F

I d do it all again

G C

Stay where you are now

G Am

Oh no I ve said too much

F C

Got both feet in

G Am

My dear you fear too much

G F G
I m just a little bit love ridden

F G F

I m falling in to you

F , G , F, G x2

F G Am F
Crash through clouds and then we ll know

F G Am F

Don t look back I want you so

F G
Love ridden

F G

I m falling in to

F G
Love ridden

F G C

I m falling in to you

C G Am
Oh no I ve said too much

F C

Got both feet in

C G Am

My dear you fear too much

F C

Just keep breathing

C G Am
Oh no I ve said too much

F C

Got both feet in

C G Am

I hope it s not too much

G F G
I m just a little bit love ridden

F C

I m falling in to you.

My first tab. =) Hope you liked it.
