

Home with ya

**F** **Am**  
Leave it alone mate, she doesn't want to go home with ya

Home with ya, no

**G** **E**  
Leave it alone mate, she doesn't want to go home with ya.

[Terceira Parte]

**Am**  
Daylight wakes her up the next morning  
**C**  
A foreign room where the sheets are blue, and not white  
**G**  
No scented candles in sight  
**E**  
Just a stranger on his side

Says Cheers love for last night

**Am**  
Got to go forensic

Avoid the domestic

**C**  
Get antiseptic

**G**  
And give him the polygraph eyes  
**E**  
Turn your head to the side and lie to the real life

[Quarta Parte]

**C** **E**  
See this girl, she had a boyfriend

**Am**  
His name was Zach and he made her happy

But he couldn't understand

**G** **C**  
In his mind she was a slag

(A fucking slag!)

**E**  
When she tried to explain what happened

**Am**  
She was shouting at him for an hour

Crying at the top her lungs

**G**  
Don't leave me here

**F**  
You're the one I love

[Refrão]

**F** **Am**  
Leave it alone mate, she doesn't want to go home with ya

Home with ya, no

**G** **E**  
Leave it alone mate, she doesn't want to go home with ya

Home with ya

[Ponte]

**E**  
She can't even run

**Am**  
She can't even walk

She slurs when she speaks

**G** **C**  
But you hear what you want when she can't even talk

**E**  
She can't even run

**Am**  
She can't even walk

She slurs when she speaks

**G** **F**  
But you hear what you want when she can't even talk

**Am**  
Can't even talk

**G**  
Can't even talk

**E**  
(Can't even talk)

(Can't even talk)
