Tuning: Standard

Beautiful little song, unfortunately I can only work out this last bit where it gets really intense.

If anyone can tab the first bit I would love them forever.

Chords:

	F	A	Dm	A#	X	C	
e	---1---	5---	5---	6---	5---	8---	-----
B	---1---	5---	6---	6---	5---	8---	-----
G	---2---	6---	7---	7---	5---	9---	-----
D	---3---	7---	7---	8---	5---	10---	-----
A	---3---	7---	5---	8---	6---	10---	-----
E	---1---	5---	5---	6---	5---	8---	-----

Im not entirely sure about
that X chord but michael
seems to play something
like that...

F	A
So please donâ€™t	let me go without you
Dm	A#
My heart never shows	without you,

F	A
Lately things have been	so distant,
Dm	A#
And I donâ€™t know what	I can do to fix this,

F	A
Why donâ€™t you love me	like you used to?
Dm	X
Why do I worry about	the future?

A#
Was it just that how we managed,
C
Was not by love but force of habbit?

F	A
----------	----------

And if only I could be a man,

Dm

A#

And rip down all your dreams and plans,

F

A

And smashing all your pretty things,

Dm

A#

So the only thing you could see was me,

F

A

Well what weâ€™ve done should be a crime,

Dm

X

We should be locked up so we never see the light,

A#

So in the darkness we could see,

C

How worthless all our lives must be,

F

A

If two lovers like us could drift apart,

Dm

A#

There must be something wrong with our hearts,

F

A

Or something wrong with all of us,

Dm

A#

To never care until dreams are lost,

F

A

Why donâ€™t you love me like you used to,

Dm

A#

Why do I worry about the future?

Cheers, Nelson
