you can also play the chords otherways it doesnt really matter.

Intro

|A ||Bm D (E2)| the e chord is played on the last beat
those are the chords for the intro, find the rhythm by listening

Verse 1

A

Oh, youre steeped in the winters chase

Bm Fm Bm

Even before the Tenenbaum has all dried up,

E A A/Bb

But Im going to teach to you different this time

Bm E

Im awful clever as you almost certainly know.

Verse 2

(Same chord progression for the verses.)

Pre Chorus

D Db Fm E

There are few who will know where their heart truly lie,

A E Bm Fm

For the rest theres no hope: they can barely decide!

A Db Fm(2) F D

So a few um and ah so they never ever start!

A E

So if you want my advice you dont have to ask me twice Ill tell you darling:

chorus

(Is exactly the same as intro)

A Bm D E

We re getting wise tryin to find our feet

Verse 3

as before

Bridge

Db **D**
Or else run, you could hide, you could see what its like,

A **E**
Youll soon find its no fun to have fun all the time!

Db **D**
Go find God in some form, let his love keep you warm,

A **E**
Its entirely your call if he calls you.

Db **D** **A**
E
But if you would desire in all things to be wise youll be none the wiser if you
ever get there,

Db **D** **A** **E**
The truth of your idols is most of them died before anybody saw.

Pre Chorus

D **Db** **Fm** **E**
There are few who will know where their heart truly lie,

A **E** **Bm** **Fm**
much less I, Im not nearly as clever as Id like.

A **Db** **Fm(2)** **E** **D**
So what I mean to say is I dont know what to say!

Chorus (a number of times)
as before

and thats it
