Tabbed by Borck Borck (ja\_.\_@hotmail.com)

Standard Tuning

Just tabbing rhythm guitar,

Intro

```
e-----|
B----4--5-5-5-5-5-7-7-7-5-5-5-----|
G----4--6-6-6-6-6-4-4-4-6-6-6-----|
D----4--6-6-6-6-6-6-6-6-6-6-6-----|
A----2--4-4-4-4-4-4-4-4-4-4-4-----|
E-----| x4
```

Verse

```
C#m           B           A           G#m
Silence is distance words are lonely there s miles between your skin and mine
A           F#m B           C#m
But when the sin is just words      in your silence theres no crime
C#m           B           A           G#m
Fake all your love in choosing badly family with a lizards eye
A           F#m B           C#m
Oh its makin me ill      and im scared of how hard i try

A           B
Yes if you fake all your love dear
C#m           E
Then theres nowhere you can t hide
F#m           A           B           C#m
But stay with me honey though its safer inside
```

Repeat intro riff

Its the same chord progression for all verses, and also for the solo.

The solo is in C#m so you can just improvise in that key
