```
The night is black as the coffee he was drinkin ,
                     G#
                                        C#
                                                        F#
And in the waitress eyes he sees the same ol light shinin ,
             Ebm
He thinks of Colorado
And the girl he left behind him
[Chorus]
                F#
                       C#
He said I wanna see you again
But I m stuck in colder weather
Maybe tomorrow will be better
      G#
Can I call you then
                F#
                         C#
She said you re ramblin man
         F#
You ain t ever gonna change
         F#
You gotta gypsy soul to blame
                 G#
And you were born for leavin (born for leavin )
           F#
                  C#
Well it s a winding road
When your in the lost and found
           F#
You re a lover I m a runner
      G#
We go round n round
     F#
                     C#
And I love you but I leave you
       F#
I don t want you but I need you
              C#
                                 G#
You know it s you who calls me back here babe
[Instrumental]
F# F# C# F# F# C# F# F# C# G#
[Chorus]
                F#
Oh I wanna see you again
But I m stuck in colder weather
Maybe tomorrow will be better
      G#
```

Can I call you then

```
F#
                         C#
Cuz I m a ramblin man
         F#
I ain t ever gonna change
         F#
I gotta gypsy soul to blame
                 G#
And I was born for leavin
N.C.
And when I close my eyes I see you
No matter where I am
N.C.
                                                  G#
I can smell your perfume through these whispering pines
             F#
                    C#
I m with your ghost again
      F#
It s a shame about the weather
      F#
                     C#
I know soon we ll be together
               G#
And I can t wait till then
            F# C#
I can t wait till then
[Outro]
