

Goodbye In Her Eyes
Zac Brown Band

Capo 1

[Verse]

I could tell that it was over when her lips met mine
It was an emptiness in her voice, hesitation when she smiled
She didn't have to say a word, it was just so plain to see
She had found what she'd been looking for and I knew it wasn't me

[Pre-Chorus]

I saw goodbye in her eyes
I don't think I can change it
There's no way to disguise
We will never make it

[Verse 2]

Sometimes I feel like a clown who can't wash off his make-up
All she wanted it was gone, Prince Charming I wasn't
But I would trade a thousand Babylons to be in her arms tomorrow
But like tide her love has come and gone and it's time for me to go

[Pre-Chorus]

I saw goodbye in her eyes
I don't think I can change it
There's no way to disguise
We will never make it

[Chorus]

D **G**
Now she sees right through me
D **G**
Should I hold on to what we've got
F#m **G**
Is it just a waste of time
D **A** **D** **G**
One thing that I know for sure, I saw goodbye in her eyes
G **D** **G** **D**
I saw goodbye in her eyes

G **Bm**
I know you got somebody new now
G **D** **A**
All my candles have burned out
G **Bm**
He's gonna love the way you shine
A
So did I
Bm **A** **Bm** **A**
So don't smile at me if it ain't what you need

[Chorus 2]

With that goodbye in your eyes
I know that I can't change it (Now you see right through me)
There's no way to disguise
We will never make it

[Chorus 3]

I saw goodbye in your eyes
I know that I can't change it (Now you see right through me, goodbye!)
Should I hold on
We will never make it (Now you see right through me, goodbye!)

[Chorus 4]

Should I hold on
Is it just a waste of time
One thing that I know for sure
I saw goodbye in your eyes

I saw goodbye in your eyes
I know that it's over
