[Verse 1]
G
How come all the pretty girls like you are taken baby

I ve been looking for someone like you to save me

Life s too easy to be so damn complicated

Take your time and I ll be waitin

[Chorus]
            C   G
Keep me in mind, somewhere down the road you might get lonely
            C   G
Keep me in mind and I pray someday that you will love me only

[Verse 2]
  C
I think about you some days
                                            G
And the way I would lay wastin day after day with you
    C
We always go our separate ways
                                    G
But no one can love you baby the way I dooo

[Chorus]
            C   G
Keep me in mind, somewhere down the road you might get lonely
            C   G
Keep me in mind and I pray someday that you will love me only

```
          B7                                    Em
Well the world can be real tough find shelter in me
             C               D             G
If there s no one else to love, keep me in mind

[Bridge]
           Cmaj7                      Gmaj7
If ever you wanted me, I ll be your man
         Cmaj7                          Gmaj7
I d be a fool to let you go with someone else
            Cmaj7                    Gmaj7
Whatever you want from me, I ll be your man
             Cmaj7                    Gmaj7
I d give it all up just to have you for myself

[Chorus]
            C                                         G
Keep me in mind, somewhere down the road you might get lonely
             C                                        G
Keep me in mind and I pray someday that you will love me only

          B7                                    Em
Well the world can be real tough find shelter in me
             C               D             G
If there s no one else to love, keep me in mind

[Outro]
             G
(Keep me in mind) and I ll hold you darling

(Keep me in mind) I ll be your man

(Keep me in mind) I ll hold you darling
             G
(Keep me in mind)
```
