Knee Deep
Zac Brown Band
Zac Brown Band feat jimmy buffett - Knee Deep
Tabbed by: Freelancer00 for use exclusively on Ultimate-Guitar.com.
Thanks to YouTube user tropzonel for his cover, I just wrote down his chords and
thought
else might find them useful.
Seems to fit well enough with the album version.
Capo 1
[Intro]
 Eb G# Eb Bb Eb D-D/A-D/B-D/C#
 Eb G# Cm Bb G# Bb Eb
 D (Repeat)
[Verse]
Gonna put the the world away for a minute
Pretend I don t live in it
                                 Eb
                                          Bb
Sunshine gonna wash my blues away
Had sweet love but I lost it
G#
She got too close so I fought her
                     Bb
                                       G#

        Cm
                                                  Вb
Now I m lost in the world trying to find me a better way
[Chorus]
              Eb
Wishing I was knee deep in the water somewhere
Got the blue sky breeze and it don t seem fair
     Cm
                                 Bb
                                                      Eb
Вb
Only worry in the world is the tide gonna reach my chair
Sunrise there s a fire in the sky
      G#
Never been so happy
      G#
Never felt so high
                                        G#
                                                          Eb

One day you could be as lost as me

F

Change you re geography

Вb

Maybe you might be

[Chorus]

```
Eb
Knee deep in the water somewhere
Got the blue sky breeze blowing wind through my hair
                               Вb
                                                     Eb
Вb
Only worry in the world is the tide gonna reach my chair
Sunrise there s a fire in the sky
Never been so happy
Never felt so high
                         Вb
                                       G#
                                                         Eb
And I think I might have found me my own kind of paradise
Eb
Come on in the water s nice
Find yourself a little slice
             Bb
Grab a backpack of life
                {\tt Bb}
   Cm
                              G#
You never know until you try
When you lose yourself
You find the key to paradise
