The Wind
Zac Brown Band

The Wind by Zac Brown Band

Tuning: Drop Eb (Half-step down)

If you want to play it exactly like Zac Brown, he s still a half-step down
but stick his capo on the 2nd fret and change the chords as follow: G to F,
C to Bb, D to C, Em to Dm, A to G, E to D and he plays it in bar chords.
There s also a way to play it in standard tuning. I ll let you figure that
out or just ask in the comment and i ll tell you.

```
Intro:        G   C   G   C G      C   G

G
30 thousand feet above
                                          D
The city where I fell in love with you
And the fadin  concrete skyline          G
Brings an urban lullaby that still rings true
When I passed you on the street that day
Should ve let that red scarf fly away
                                   C
Like any chance I had of keepin  you
          D
Like the Northern wind a blowin
Yeah my lonely heart was frozen          G
Never knew I d find a way to break yours, too.
```

```
Chorus:
                 G           C
Where the wind blows babe, you can bet
G             C
I ll be riding high with it
       G                D            G       D
Holdin  on for my dear life just like I always did.
             G           C
Close your eyes babe, take a breath
 G                 C
Say my name and I ll be there
    G                     Em
My love will find you anywhere
  C             G(repeat intro)
Anywhere my love
```

(Same chords as the first verse here)

The city lights look like a country sky
Like staring at the stars turned upside down.

I wish I may, I wish I might
Find it in your heart to stick around.
I hate it had to end this way
Tomorrow is a brand new day
And the chances here at love are precious few
If someone s out there waiting
For a sweet good timing lady
To make you smile the way I always wanted to.

[Chorus]

[Bridge: (**A**, **D**, **A**, **E**)x6 **D**, **D**/C, **D/B**, **A**, **G**]

                    C
So I ll fly all night
Our memory s my lullaby
                  G
That love won t lie
                    C
If it s love done right   G
You ll be waiting on the other side
            D
Arms open wide
              C
If love don t lie. Lie. We can fly

Chorus:
                    G   **C**
Where the wind blows babe, you can bet
G   **C**
I ll be riding high with it
        G   **D**   **G**   **D**
Holdin on for my dear life just like I always did.
                G   **C**
Close your eyes babe, take a breath
G   **C**
Say my name and I ll be there
    G   **Em**
My love will find you anywhere
C
Anywhere
      G   **Em**
My love will find you anywhere
C
Anywhere
      G   **Em**
My love will find you anywhere
C   **G**(repeat intro, end on **G**)
Anywhere, my love
