

**Whatever It Is**  
**Zac Brown Band**

first Tab, but none of the others are in the right tuning, this is it, just keepin it simple.

(Verse 1&2)

**D**                  **A**                  **Bm**                  **A**  
She got eyes that cut you, like a knife, lips that taste like sweet red wine  
          **G**                  **A**                  **D**          **G A**  
and her pretty legs, go to heaven, every time...

(repeat thru the rest of verse.)

She got a gentle way, puts me at ease, when she walks in a room I can hardly  
breath, got a devastatin smile, knowck a grown man to his knees...

(Chorus)

**G**  **A**                  **D A Bm A G**  
She got whatever it is, blows me away,  
          **G**                  **A**                                  **G**          **A**  
She s everything I wanna say to a woman but I couldn t find the words to say  
          **G**  **A**                  **D A Bm A G**  
She got whatever it is, I don t what to do  
**G**                                  **A**                                  **G (let it ring)**  
Every time I try to tell her how I feel it comes out I love you,  
                          **D**          **A**          **Bm**  **A**  **G**  **A**  **D**          **G A**  
you got whatever it is...          (same as verse)

(Bridge)

**D A Bm**  **G**                  **A**                          **D A Bm**          **G**  
When you love me, girl that s how I feel, when you love me, I m on top of  
          **A**  
the world  
          **D A Bm**  **G**                  **A**                          **D A Bm**  
And when you love me, I can live forever, when you love me, I am  
**A**          **D**  
untouchable...  
(repeat chorus)
