

**A Little Bit Of You**

In the actual song these chords aren t played prominently, it sounds like he picks them lightly,  
but if you just wanna jam to this song heres something to start with.

The whole song has this progression that sounds good with barre chords. Enjoy.

```
E - C#m7- A -E  
|-7---4----5--7--|  
|-9---5----5--9--|  
|-9---4----6--9--|
