

All For You
Zach Robinson

All For You

VERSE

C C7 (x32xxx)

Say good bye to the sun it s goin away

F G

behind another cloud where it can rest we ll stare up at the moonlight tonight.

C C7(x32xxx)

Winters comin another season. Another season.

F G

Where we can rest right by the fire, drink some wine, and fuel up on desire.

CHORUS

C C7(x32xxx)

Cuz this is all for you.

F G

This is all for you.

This is all this is all for you.

VERSE

Starin up at the stars tonight and they are shining so bright.

And if I follow them then will they take me back. Take me back to you.

Standing on the porch tonight. And everything is feeling right.

And every moment is so different from the last I m exploring change tonight.

CHORUS

BRIDGE

G C C7(x32xxx)

Don t let your bones shake for too long cuz I ll sing you a song.

G C C7(x32xxx)

Don t worry. Don t ever worry. Cuz it s alright. One day the sun will be back.
