Zach Robinson

Gm - A# - F - C

If you follow me. I ll make you feel so complete.
If you follow me, I ll make it so that you don t have to worry.
Oh.
If you follow me, I ll give you my heart.
I ll give you my soul.
If you follow me, I ll make it so you, so you know I love you.

Dm - A# - F - C

If I could move all the mountains.
I d move them so you didn t have to hold them.
I d make it so all the dreams of yours could come true.

Gm - A# - F - C

If you love me, I ll make you feel happy.
If you love me. We can feel things, you know how I feel them.
I ll be there for you, I ll take care of you. You know we won t have to worry.
I ll make you feel so far from blue.

Dm - A# - F - C

I ll build up roads and paths for you.
I ll move the cars and the roads for you.
I ll split all of the sea for you.

Gm - A# - F - C

If you love me I ll write you songs to make you feel complete.
If you love me I ll love you back. I ll hold you sweetie.
You know we wont have to worry.
You know we wont have to feel.
Like no ones ever cared.
You know that I. I ll be right here for you.
Just like I am right now.

Dm - A# - F - C

And I ll move all the buildings. And I ll move all the sea.
So you can walk right through to me.
Walk right through oh well.
And I ;ll move all the stars. And I ll move all the planets.
You know I ll make em stop on a dime. Just for you oh well.

Am - F - C - D

And if anyone were to take away my love from me.
Then you know I d have to ask them to go me.
Go to me, go to me, go to me, go to me (get it?)

Gm - A# - F - C

Go to me first.
Go to me like 1,2,3.
Go to me first. oh first. singing first.
Because I love you.
