Just A Dream tab

Capo 5

A - C#m - F#m - E

Is this just a dream. Are you feeling something.
Are you feeling me.

Is this just a dream. Are there waves and vibes.
Warping around you and me.

A - F#m - E - D - Dm

Cuz I know just how.
Cuz I know just how, I know just how you feel.

A - C#m - F#m - E

Is it as it seems. Don't it move real fast.
At such a high speed.

Is it all a dream. Aren't we going through chords and melodies.
So I hold up my hand.

As we go through another land.

A - F#m - E - D - Dm

Cuz I know just how. I know just how you feel.
Cuz I know just how, I know just how you feel.

Bm - D

And it's true I do love you.

A - C#m - F#m - Bm - D

And it's true I do love you.

A - C#m (back and forth)

So is this just a dream?

Is this just a dream.

E
