[Intro]

[Verse]

Well I fell down, down, down
Into this dark and lonely hole
There was no one there to care about me anymore
And I needed a way to climb and grab a hold of the edge
You were sitting there holding a rope.

[Chorus]

And we ll go up, up, up
But I ll fly a little higher
We ll go up in the clouds because the view is a little nicer
Up here my dear
It won t be long now, it won t be long now.

[Verse]

When I get back on land
Well I ll never get my chance
Be ready to live and it ll be ripped right out of my hands
Maybe someday we ll take a little ride
We ll go up, up, up and everything will be just fine.

[Chorus]

And we ll go up, up, up
But I ll fly a little higher
We ll go up in the clouds because the view is a little nicer

Up here my dear
