

Clouds

Zach Sobiech

[Intro]

F Am Dm Bb x2

[Verse]

F

Well I fell down, down, down

Am

Into this dark and lonely hole

Dm

Bb

There was no one there to care about me anymore

F

Am

Dm

And I needed a way to climb and grab a hold of the edge

Bb

You were sitting there holding a rope.

[Chorus]

F

And we ll go up, up, up

Am

But I ll fly a little higher

Dm

Bb

We ll go up in the clouds because the view is a little nicer

F

Am

Up here my dear

Dm

Bb

It won t be long now, it won t be long now.

[Verse]

F

When I get back on land

Am

Well I ll never get my chance

Dm

Bb

Be ready to live and it ll be ripped right out of my hands

F

Am

Maybe someday we ll take a little ride

Dm

Bb

We ll go up, up, up and everything will be just fine.

[Chorus]

F

And we ll go up, up, up

Am

But I ll fly a little higher

Dm

Bb

We ll go up in the clouds because the view is a little nicer

F

Am

Up here my dear

Dm

Bb

It won't be long now, it won't be long now.

[Bridge]

Am

Dm

Bb

If only... I had a little bit more time

Am Dm

Bb

If only... I had a little bit more time with you.

[Verse]

F

We could go up, up, up

Am

And take that little ride

Dm

We'll sit there holding hands

Bb

And everything would be just right

F

Am

And maybe someday I'll see you again

Dm

Bb

We'll float up in the clouds and we'll never see the end.

[Chorus]

F

And we'll go up, up, up

Am

But I'll fly a little higher

Dm

Bb

We'll go up in the clouds because the view is a little nicer

F

Am

Up here my dear

Dm

Bb

It won't be long now, it won't be long now.
