

**Give Me Back My Wings**  
**Zachary Richard**

(Verse)

**C#** **F#**  
Give me back my wings  
**C#** **G#** **Bbm** **G#** **F#**  
Take me to the mountain and let me fly again  
**C#**  
Higher than the highest cloud  
**C#** **G#** **Bbm** **G#** **F#**  
Brushing the face of God  
**F#** **G#**  
Wanting your love  
**Fm** **Bbm** **Eb**  
Longing from above for you

(use verse chords)

Give me back the key  
Though I donâ€™t know if Iâ€™m gonna leave my prison  
Or close my eyes and make believe  
That I am free and all is forgiven  
Give it up, no holding on  
Let it go, itâ€™s gone away

(Bridge)

**F#** **C#**  
What did you believe when you said goodbye  
**F#** **C#**  
Did you think that I would be waiting, waiting for your call  
**F#** **C#**  
When you hid the truth inside a lie  
**C#** **G#** **Bbm**  
That I could not believe  
**C#** **G#** **Bbm**  
I could not believe  
**C#** **G#** **Bbm**  
I could not believe

(use verse chords)

Give me just one more chance  
Take me in your arms and let me live again  
Try to take all my love  
Like you took all of my cheating  
Two hearts beating as one  
Burning in a sun of joy.
