

Give Me Back My Wings
Zachary Richard

(Verse)

Bb **Eb**
Give me back my wings
Bb **F** **Gm** **F** **Eb**
Take me to the mountain and let me fly again
Bb
Higher than the highest cloud
Bb **F** **Gm** **F** **Eb**
Brushing the face of God
Eb **F**
Wanting your love
Dm **Gm** **C**
Longing from above for you

(use verse chords)

Give me back the key
Though I donâ€™t know if Iâ€™m gonna leave my prison
Or close my eyes and make believe
That I am free and all is forgiven
Give it up, no holding on
Let it go, itâ€™s gone away

(Bridge)

Eb **Bb**
What did you believe when you said goodbye
Eb **Bb**
Did you think that I would be waiting, waiting for your call
Eb **Bb**
When you hid the truth inside a lie
Bb **F** **Gm**
That I could not believe
Bb **F** **Gm**
I could not believe
Bb **F** **Gm**
I could not believe

(use verse chords)

Give me just one more chance
Take me in your arms and let me live again
Try to take all my love
Like you took all of my cheating
Two hearts beating as one
Burning in a sun of joy.
