

West Texas Ramblers
Zack Lusk

[Verse]

G

I didnâ€™t grow up in a real small town

D

but it was small enough we knew everyone around

F

We like to spend our weekends raising hell

C

throwing them back and catching sail

G

The girls a real good and the boys are real tough

D

so donâ€™t come around here spitting up stuff

F

We are all a little different in our ways

C

but one thing sure stays the same

[Chorus]

G

D

We were born West Texas ramblers

F

C

just like our daddyâ€™s were born and their daddyâ€™s before

G

We donâ€™t give up and we donâ€™t back down

D

weâ€™ll fight till the end and stand our ground

F

Because the great south plains has given us our ways

C

and thatâ€™s one thing weâ€™ll never repay

[Verse]

G

Iâ€™ve got a few good buddies that you could call my brothers

D

except for the fact of our different mothers

F

Itâ€™s rang true since the first time Iâ€™ve heard it

C

boy always know whoâ€™s gonna stand next to you

G

Because we canâ€™t go through this life on our own

D

the world is cruel and cold to the bone

F

That's why as I sit here and I looked to my right

C

I know that there will be someone there to help me through the night

[Chorus]

G

D

We were born West Texas ramblers

F

C

just like our daddy's were born and their daddy's before

G

We don't give up and we don't back down

D

we'll fight till the end and stand our ground

F

Because the great south plains has given us our ways

C

and that's one thing we'll never repay

[Verse]

G

Now this college town that we call our home

D

has always been good and we've never felt alone

F

Momma I promise to always to make you proud

C

even when it seems I'm lost in the crowd

G

There's been things I've done wrong and things I've done right

D

but i know that I'll make it through this life

F

We are all a little different in our ways

C

but one thing sure stays the same

[Chorus]

G

D

We were born West Texas ramblers

F

C

just like our daddy's were born and their daddy's before

G

We don't give up and we don't back down

D

we'll fight till the end and stand our ground

F

Because the great south plains has given us our ways

C

and that's one thing we'll never repay
