VERSO 1 COM INTRO

You couldn t feel the sunlight upon your face
Your little world a little out of place
You couldn t hear the ocean you couldn t hear the waves
I know you meant to come back I know you meant to stay

D	C	
All you touched		
All you know		
D	C	Em
All you loved - yeah		

VERSO2

Well I can see you smile can you see my tears?
I reach to hold you but you ain t there
You left a hole so big lord, beyond repair
I ll try to find forgiveness for takin what we never shared

All you touched
All you know
All you loved
You just left em with nothing to say

REFRÃO

G	D	C
Whoa oh oh	You re just throwin	it all away
Whoa oh	No you didn t care to see the light of day	
Whoa oh oh	You re just throwin	it all away
Like the sand upon the shore your crashing waves came took you away
