[Intro] **F   C   G   Am**
       F   C   G   Am

F   **C**   **G**   **Am**   **F**
  Been sitting, eyes wide open behind these four walls hoping you d call
              C   **G**   **Am**
  It s just a cruel existence like there s no point hoping at all

F   **C**   **G**   **Am**
 Baby, baby, I feel crazy, up all night, all night and every day
F   **C**   **G**   **Am**
 Give me something, oh, but you say nothing, What is happening to me?

                F   **C**   **G**   **Am**
I don t wanna live forever, cause I know I ll be living in vain
                    F   **C**   **G**   **Am**
And I don t wanna fit wherever I just wanna keep calling your name until you
come back
  F   **C**
Home

G   **Am**   **F**   **C**
I just wanna keep calling your name until you come back home
 G   **Am**   **F**
I just wanna keep calling your name until you come back home

F   **C**   **G**   **Am** **F**
   I m sitting, eyes wide open and I got one thing stuck in my mind
              C   **G**   **Am**
Wondering if I dodged a bullet or just lost the love of my life

F   **C**   **G**   **Am**
 Baby, baby, I feel crazy, up all night, all night and every day
F   **C**   **G**   **Am**
  I gave you something, but you gave me nothing, What is happening to me?

                F   **C**   **G**   **Am**
I don t wanna live forever, cause I know I ll be living in vain
                    F   **C**   **G**   **Am**
And I don t wanna fit wherever I just wanna keep calling your name until you
come back
F   **C**
home
 G   **Am**   **F**   **C**
I just wanna keep calling your name until you come back home
 G   **Am**   **F**
I just wanna keep calling your name until you come back home
