Insomnia
Zayn

[Intro] **Bm A G**
         A G F#

       G   **Bm**
I ve been roaming and strolling
   A   **G**
All of these streets
     A
Burning my eyes red
   G   F#
Not slept for weeks
       G   **Bm**
Testing your torment
     A   **G**
My future is bleak
       A
Lost in the moment
            F#
With no words to speak
G   Bm   **A   G**
I can t find the peace
        A   **G   F#**
(I can t find the peace)
       Bm
Am I a fool (fool)
   A   **G**
Waiting for you? (You)
                      A
What if you never come back? (What if we)
                        A
What if you never come back? (What if you never come-)
   Bm
There s nothing new
                        G
I made another hit, I made another two
                  A
What if we never know why hearts deceive us
     F#   **G**
The night calls to dreamers
              Bm
Our sleep was stolen
   A   **G**
I m searching for thieves
     A
These memories in my head
     F#
Are so vivid to see

```
G   Bm        A    G
I can t find the peace
     A         G    F#
(I can t find the peace)
   G          Bm                      A    G
And when I close my eyes I feel it all again
      A          G    F#
I can t find the peace

      Bm
Am I a fool (fool)
        G
Waiting for you? (You)
                        A
What if you never come back? (What if we)
                       A
What if you never come back? (What if you never come-)
   Bm
There s nothing new
                              G
I made another hit, I made another two
                      A
What if we never know why hearts deceive us
      F#
The night calls to dreamers
Bm  A  G
Insomnia
             A              G           F#     G
And when I close my eyes, I feel it all again

Bm  A  G
Insomnia
             A                          F#
And when I close my eyes, I feel it all again
Am I a fool (fool)

    Bm
Am I a fool (fool)
          G
Waiting for you? (You)
                       A
What if you never come back? (What if we)
                       A
What if you never come back? (What if you never come-)
    Bm
There s nothing new
                              G
I made another hit, I made another two
                      A
What if we never know why hearts deceive us
      F#
The night calls to dreamers
