

Lucozade

Zayn

Intro: Am

Am Em F  
I m sipping pink Lucozade  
Dm Em Am  
We re blazing on that new found haze  
Em F  
I m seeing in the blacks and grays  
Dm Em Am  
I m hoping that the basket sways  
Em  
Left to right  
F Dm Em  
Sit and talk shit all night  
Am Em  
Does that make it right for smoke?  
F  
Maybe, or am I just seeing sh\*t?  
Dm Em Am  
Seeing the pain side in this house of FEAR

Am  
You don t even wanna know  
Em  
About the things I hear  
F Dm Em  
Quick fix, headlines, shine bright  
Am Em  
You re the fuckin deal  
F  
I m just switching, here s some vision you cap  
Dm Em  
In your position, you ll be fishing  
Am  
For far too long  
Em  
You re the bad guy in this movie  
F  
And I ain t wrong  
Dm Em Am  
I don t breathe the pollution  
Em F  
And the only solution  
Dm Em  
Is making shit confusing

And it ain't about who's winning or losin

**Am Em**

It's about the path your choosing

**F Dm Em**

Time heals pain and promotes self-soothing

**Am Em F**

When the scares are gone you can't see bruising

**Dm Em Am**

Wanna take these watches, chains and gold rings

**Em F**

I'm getting caught up in the feelings that they bring

**Dm Em Am**

Lack of sanity, losing touch with reality

**Em F**

Smoking too much, it's starting to fog up my clarity

**Dm Em Am**

Traveling in the day but you're still looking far to me

**Am Em**

Bull's eye you the dot to me

**F**

Emotions splattered, same body

**Dm Em**

Can't even begin to spot 'em

**Am Em**

I'm sad about shit that never happened

**F Dm**

No lies in my eyes

**Em Am Em**

Nothing but truth will lay in my mouth

**F**

I'm tryna fuckin' scream

**Dm Em Am**

But the words won't come out

**Em F Dm Em**

Oh, tryna fuckin' scream

**Am**

But the words won't come out

**Am**

She's older, I'm sober

**Em**

We ain't meant to be

**F**

It takes two not three

**Dm Em**

But I'm here any way

**Am**

I hope he's leaving soon

**Em**

Started not to see

**F**

The elephant in this room

**Dm** **Em**

The skies is your perfume

**Am**

But the smell of it consumes

It takes all my mind

**Am**

You can search the world

**Em**

But you will never find

**F**

I see everything you ve done to me

**Dm** **Em**

Be there, you run at me

**Am**

I don t need to pace

**Em**

I don t need the stamina

**F**

If this sh\*t was it

**Dm** **Em**

Girl, I probably would be revenue

**Am**

Kept running

**Em**

Outwit, cause you gunnin

**F**

That outfit cause you stunnin

**Dm** **Em**

Begging cause I m losing man

**Am** **Em**

Got me feeling some type of way I can t explain

**F**

The fuck is going on?

**Dm** **Em**

I think I got it wrong

**Am**

When I told YOU I was over, or were you under ?
