Am Dm C G  
Can your heart be mine in search

Am Dm C G  
Cause I have no time to help you find

Am  
All the words  
Dm C G  
Melodies and memories

Am  
Stories that sound absurd  
Dm C G  
I will tell no lies

F C G  
As long as you look me in the eyes  
F C  
I ll go wherever you are  
G  
I ll follow behind (oh oh oh)

Am  
Heard about all the things you done  
Dm C  
And all the wars you ve been in  
G  
Heard about all the love you lost  
It was over before it began  
Am  
Heard about all the miles you ve gone  
Dm C  
Just to start again  
G  
Heard about all the things you ve been through

Am

Am  
It sounds like you need a friend, a friend

Dm C G  
Please don t wait  
Am  
I m not coming home tonight  
Dm C G  
I wanna love you but I can t (oh oh oh)

F C G  
As long as you look me in the eyes  
F C

I ll go wherever you are

**G**

I ll follow behind (oh oh oh)

**Am**

Heard about all the things you done

**Dm** **C**

And all the wars you ve been in

**G**

Heard about all the love you lost

It was over before it began

**Am**

Heard about all the miles you ve gone

**Dm** **C**

Just to start again

**G**

Heard about all the things you ve been through

**F**

It sounds like you need a friend, a friend

**F**

**Bb**

I never doubted myself

**G#m** **C#** **F**

But I doubted you

**F** **Bb**

I m tired of looking by myself

**G#m** **C#** **F**

In my Rear View

(Oh oh oh)

**Am**

Heard about all the things you done

**Dm** **C**

And all the wars you ve been in

**G**

Heard about all the love you lost

It was over before it began

**Am**

Heard about all the miles you ve gone

**Dm** **C**

Just to start again

**G**

Heard about all the things you ve been through

**Am**

It sounds like you need a friend, a friend
