

Who  
Zayn

[Intro] **E**

**E**

When you re started in the dark

And you struggle to find the light

**B**

When you just try to find your way

But you just can t find the time

**F#**

I ll come for you

**E**

You know that I ll save you

**B**

Who you gonna call, gonna call?

**F#**

Who you gonna call, gonna call?

**E**

When you need somebody

**E**

When you need someone

**B**

Who you gonna call, gonna call?

**F#**

Who you gonna call, gonna call?

**E**

When you need somebody

**E**

When you need someone

**B**

When you need somebody

**F#**

When you need someone

**E**

When you need somebody

**E**

When you need someone

**E**

When the water s just too deep

Getting chased by the shark

**B**

When the pressure s just too much

And you feel it in your heart

**F#**

I ll come for you

**E**

You know that I ll save you

**B**

Who you gonna call, gonna call?

**F#**

Who you gonna call, gonna call?

**E**

When you need somebody

**E**

When you need someone

**B**

Who you gonna call, gonna call?

**F#**

Who you gonna call, gonna call?

**E**

When you need somebody (Need somebody)

**E**

When you need someone

**B**

When you need somebody (Need somebody)

**F#**

When you need someone

**E**

When you need somebody

**E**

When you need someone

**E**

And who s right?

Let me know

**F#**

I ll be there

I ll be close

**E**

It s your fear

That we won t

**F#**

If this dies

Be my ghost

**B**

Who you gonna call, gonna call?

**F#**

Who you gonna call, gonna call?

**E**

When you need somebody

**E**

When you need someone

**B**

Who you gonna call, gonna call?

**F#**

Who you gonna call, gonna call?

**E**

When you need somebody (Need somebody)

**E**

When you need someone

**B**

When you need somebody (Need somebody)

**F#**

When you need someone

**E**

When you need somebody

**E**

When you need someone
