--- Verses 4x ---

F **C** **Dm** **Bb**
Right now it feels like I forgot to turn the light on

F **C** **Dm** **Bb**
And things that looked so good yesterday Are now shades of gray

F **C** **Dm** **Bb**
 And it seems like the world is spinning While I m standing still

F **C** **Dm** **Bb**
Or maybe I am spinning I can t tell and then you say...

--- Chorus 5x ---

F
Hey
C
You re okay
Dm
You ll be fine
F
Just breathe

And now the women sing:
Hey
You re okay
You ll be fine
Just breathe

Now everybody sings:
Hey
You re okay
You ll be fine
Just breathe

Hey
You re okay
You ll be fine
Just breathe

Hey

You re okay

You ll be fine (you ll be fine)

Just breathe
