Hacky Sack
Zebedee Vortex

I ve been at my ZV collection again. I ve worked out the chords for this punk belter:

HACKY SACK
Verse:
C#   F#   G#   C#   F#   G#
Low flying hacky sack, Speeding round your head
C#   F#   G#   C#   F#   G#
If it makes contact, it will taste like lead
C#   F#   G#
Low flying hacky sack, capital in there
C#   F#   G#
Low flying hacky sack, over five is rare
C#   F#   G#
Low flying hacky sack, a weekend diversion
C#   F#   G#
Low flying hacky sack

Chorus:
(no guitar at all, just drums!)
I came into the room and all I could hear was... x4

2nd verse (same chords as 1st)

Low flying hacky sack, careering to your chest
If it hammers you, you ll be in a mess
Oh, I m not playing if it goes any further
Kick it in the air like a Socialist Worker
All our fun today is down to our low flying hacky sack

Chorus
Solo (verse chords)

Middle section
C#   F#   G#
Low flying hacky sack   x4
C#   F#   G#
Low flying hacky sack, low flying hacky sack   x4

I m pretty confident with my transcription of this one. Their songs are just SO easy, but there is very little ZV tab on the web. I ll see what else I can do from the Public Service Utility CD.

Enjoy!
