

**Glorafilia**

**Zed**

Song: Glorifila

Artist: Zed

This NZ band is about to release in the US  
An earlier release I reckon their best

[Intro]

The proper way

	<b>B</b>	<b>B/B</b>	<b>G#m</b>
e	-----	-----	-----
B	-----1---	-----1---	-----0-1-----
G	-----0-	-----0-	-----2-----2-----
D	---2-----	---2-----	---2-----
A	-3-----	-2-----	-0-----2-0--
E	-----	-----	-----

My way

	<b>B</b>	<b>F#/B</b>	<b>G#m</b>
e	-----	-----	-----0-----
B	-----1-	-----0-	-----1---1---
G	-----0---	-----0---	-----2-----2-
D	---2-----	---0-----	---2-----
A	-3-----	-2-----	-0-----
E	-----	-----	-----

Play this twice

Verse 1 (Continue Intro riff till last line)

<b>B</b>	<b>F#</b>	<b>G#m</b>
She keeps me waiting in the morning		
<b>B</b>	<b>F#</b>	<b>G#m</b>
By tying ribbons in here hair		
<b>B</b>	<b>F#</b>	<b>G#m</b>
And come the evening there s no warning		
<b>C#m</b>	<b>G#m</b>	<b>A E</b>
Why I m not to know why she isn t there		

Verse 2 (strum softly last line build to chorus)

**B** **F#** **G#m**  
No time to tell her all the reasons  
**B** **F#** **G#m**  
Why I always disappear  
**B** **F#** **G#m**  
And in those desparate situations  
**C#m** **G#m** **A** **E**  
I just fade away, still she never cares

Chorus

**B** **F#**  
But Glorafila says, she says  
**G#m** **E**  
It s just another sunday afternoon  
**B** **F#**  
And Glorafila says, she says  
**G#m** **E**  
there ain t no point in loving you

Verse 3

**B** **F#** **G#m**  
She keeps me wrapped around her finger  
**B** **F#** **G#m**  
So I don t know what to do  
**B** **F#** **G#m**  
But useing my imagination  
**C#m** **G#m** **A** **E**  
She could set me free, I bet she s dying to

Verse 4

**B** **F#** **G#m**  
Sipping wine around her table  
**B** **F#** **G#m**  
Her expense is plain to see  
**B** **F#** **G#m**  
Entertaining for a living  
**C#m** **G#m** **A** **E**  
She s got everthing that she doesn t keep

Chorus

**Ebm** **Ema j7** **C#m**  
I can sleep at night, I m all strung out  
**A**  
Things just ain t right

**F#m**

**F#**

I really need to know

Chorus x2
