Hard To Find Her by Zed

G D
All the time
D Am G
I was running around trying to get me somewhere
G D Am
When you were there on my shoulder
C G D
Telling me that she s the one
D Am G
She s the one in a million that comes along
G D Am G
But tell me what could I do

[chorus]
G D C
Coz I tried so hard to find her
G D C
Should I hold my breath now she s looking at me
G D C
And I hope she knows I want her
Am G D C
What if she was looking at you not me

G D
Late again
D Am G
I lay awake in my bed as I dreamed of her
G D Am
And would she like to come over

Maybe next time would be fine
